

## Video Entries

- 🌟 All videos to be recorded from the centre line, behind the C marker, and must show the whole arena.
- 🌟 All riders are to line up facing the camera and announce their team name, individual names (each rider to say own name), the date and name of test entered. It is important this is done by the riders and not the videographer who is not permitted to speak.
- 🌟 Please name the team, date and class entered as the title of the video.
- 🌟 The video must have sound and start at least 5 seconds before the announcements and finish 5 seconds after the test has finished.
- 🌟 Videos must not be edited and must play from start to finish in one file.
- 🌟 Any video submitted should not have been judged before in any of ASFR competitions or anywhere else. Any videos found to have been judged before will be eliminated without refund.
- 🌟 When submitting any videos please make sure all copyright laws are adhered to in any video footage, images, or any printed material. ASFR cannot accept any liability for any costs incurred by copyright infringement.
- 🌟 The videographer must film in landscape and keep the camera still and facing into the arena from C. No talking or instructions must be given.
- 🌟 All videos to be submitted 1 week before the competition and results will be announced on All-Steps Formation Riding Facebook/Insta page and our website..
- 🌟 Please make sure your videos are uploaded to YouTube are set to unlisted or public and NOT private, as we cannot view them in this setting.
